WATER EDUCATION TODAY

Project WET K-12 Educator PD Workshop

Join us as we learn to engage learners in environmental education utilizing the award-winning: Project WET Curriculum & Activity Guide 2.0. Featuring 64 tested activities, this is an essential classroom staple and gives educators of students from kindergarten to twelfth grade the tools they need to integrate water education into every school subject.

• October 21st and 28th, 2020; 6:30-8:30 PM via Zoom

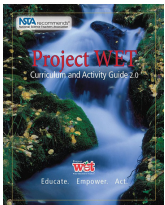

• October 24th, attend one of two in-person sessions at Prairie Pines, Lincoln. 8:30-10:30 AM or 11:00 AM - 1:00 PM. Masks and Social Distancing Required.

• Each participant will be given a certificate for 6 in-service hours, a copy of the curriculum, and the background knowledge needed to implement these hands-on, heads-on activities in your classroom or program right away

• Must be registered by October 20th • Cost is \$30 per person

• Due to COVID-19, you must be a resident of Lancaster County to attend.

• Questions? Email jack.hilgert@unl.edu and hpinneo2@unl.edu.
